

Saatchi & Saatchi sucht Senior Planner für Genf. Sorry, Geneva.

We are looking for an English-speaking planner who can inspire creatives & discover new insights for our CPW and Novartis OTC brands. You must have at least 3 years planning experience with international clients, have an appetite for research and understand how to create global campaigns out of Switzerland for more than 50 countries. Even more importantly, you must be happy to move to Geneva. Et si vous parlez aussi un peu le français ce serait fantastique.
